# **SOCIAL SPOTLIGHT**

Great things NEVER come from staying in comfort zones!

Designed by two talented therapists, with diverse specialties in psychology, speech and language pathology, social communication, musical & theatre arts.

This tween/teen workshop utilizes the arts to build social communication skills, overcome personal obstacles, and increase confidence.

Participants will have the opportunity to showcase their new levels of confidence through a performance of their choice including: singing, lip syncing, creating a character, and/or developing a monologue.

Digital copies of the final performances will be provided.

Date: June 4 - 26, 2019  
Days: Tuesday & Wednesday  
Time: 6:30 pm - 8:30 pm  
Cost: \$800
